

Established in 2006,  
45 North is a family-owned  
producer of wines and  
ciders in the heart of  
Leelanau Peninsula

The Grossnickle family vacationed on  
nearby Little Traverse Lake since 1982,  
savoring the Peninsula's beauty, lifestyle,  
and local goods. When it came time  
to open the tasting room on the 100-  
acre centennial farm, the mission was  
clear: **Good Times, Great Wines.**
